TERMINAL DISCLAIMER

Commissioner for Patents
Alexandria, VA 22313

Dear Sir:

I, Dennis L. Thomte, attorney of record, represent that Valmont Industries, Inc. is the assignee and exclusive owner of the entire right, title and interest of, in and to patent application Serial No. 10/776,136 filed February 11, 2004, and is the exclusive owner of the entire right, title and interest of, in and to U.S. Patent No. 6,902,351 issued June 7, 2005, and that as attorney of record for assignee, I am empowered to act on behalf of assignee.

The assignee hereby disclaims the terminal portion of the term of any patent granted on the above-identified application which would extend beyond the date of the patent granted on U.S. Patent No. 6,902,351, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that said patent is commonly owned with assignee's U.S. Patent No.

1 6,902,351, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

5 In making the above disclaimer, assignee does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§ 154 to 156 and 173, as presently shortened by any terminal disclaimer of the above-listed patent, in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321, has all claims cancelled by a reexamination certificate, is reissued, or is otherwise terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

10 The Assignment filed with the Instant application as evidence of chain of title from the original owner to the assignee has been reviewed by the assignee, and the undersigned certifies that, to the best of assignee's knowledge and belief, title is in the assignee.

15 I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under § 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

1 The Commissioner is hereby authorized to charge the fee for the Terminal
Disclaimer to Deposit Account No. 502093.

5 Respectfully submitted,

DENNIS L. THOMTE
